Happy

Palisades

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth

It might seem crazy what I'm 'bout to say
Sunshine she's here, you can take a break
I'm a hot air balloon you could go to space
With the air, like I don't care, baby, by the way

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

Here come bad news, talking this and that (Yeah)
Well, give me all you got, don't hold it back (Hold up)
Well, I should probably warn ya, I'll be just fine
(I'll be fine yeah, baby I'll be just fine)
No offense to you, donâ€™t waste your time
(Don't waste your time!)

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

Bring me down
Can't nothing bring me down
My level's too high to bring me down
Can't nothing bring me down, I said

(Because I'm happy)
Clap along if you feel like a room without a roof

(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

Bring me down
Can't nothing bring me down
My level's too high to bring me down
Can't nothing bring me down, I said

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

I wanna see you clap it, put your hands up in the air
And if you're feeling good, act like you don't have a care
I wanna see you clap it, put your hands up in the air
