God Bless You

Sodom

We're all told that when we die
We leave to a better place
All I know is what you left
A love I cant erase
All the same in love and war
Burn my name in ashes scorn
You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God bless you
God bless you
Shed those faded memories
This is your curtain call
I've had enough of sympathy
Its time to watch you fall
All the same in love and war
You left me with these broken lies

And I let you
Got no more time for your goodbyes
So God Bless You
So God Bless You
God bless you!
God bless you
God bless you!
You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You
You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You
So God Bless You
God Bless You!
God Bless You
God Bless You!
