

# So, So, Happy

Valerie Carter

Never before have I felt like this  
Oh, I can't begin to tell ya  
How words they lose their meaning  
And feeling is believing in you My days seemed so long My nights so wrong Ya gave me more to live for For the  
first time love to give, boy Happiness can make you feel that way too Whoa Whoa oh, so, so happy Do you feel it  
too? (no doubt, so, so find your love) And make me so, so happy  
Whoa whoa oh, oh, oh (so, so happy)  
You brighten up my day (no doubt, so, so find your love)  
And make me so, so happy I've been thinking of you You're a dream come true I know you know, I'm crazy It's a  
love I guess or maybe  
Happiness can make you feel that way too Whoa Whoa oh, oh, oh so, so happy  
Oh oh (no doubt, so, so find your love)  
(so, so happy so, so happy) So happy You're a dream come true Oh, I know you know, I'm crazy  
It's love I guess or maybe  
Happiness can make you feel that way too Whoa Whoa, whoa, whoa, whoa (so, so happy) You're so sweet to me  
(no doubt, so so find your love So so happy)  
Oh whoa, whoa, whoa, whoa, oh, oh  
(So, so happy  
no doubt, so so find your love) So oh damn happy! :)
