

Joyride (Remix)

Jump5

You see me and you wonder how I got like this
And maybe if you had it all you could comprehend
You say that life's a trip, you can't take anymore
So come with me, you will see the very thing you're searching for
Life is a joyous ride if you want it to be
I'll take you to the other side, and maybe you will see
Leave all the pain behind, there's a greater love
Eternity's no mystery, you'll find the hope your dreaming of
There's so much more just take it from me
You will see, it's the answer it's your destiny
To be free come with me, it's a joyride
Love's a sweet remedy, it's a joyride
Follow me you will see, it's alright
We'll fly so high on this joyride
I know that you feel alone like nobody cares
You don't know which way to go but the answer's right there
Come on and free your soul, leave the past behind
Just take my hand, you'll understand that now's the time to fly so high
There's so much more just take it from me
You will see, turn your dreams into reality
To be free come with me, it's a joyride
Love's a sweet remedy, it's a joyride
Follow me, you will see, it's alright
We'll fly so high on this joyride
Yeah, yeah, alright
Yeah, yeah, alright
Joyride, joyride
We'll fly so high on this joyride
To be free come with me, it's a joyride
Love's a sweet remedy, it's a joyride
Follow me you will see, it's alright
We'll fly so high on this joyride
Oh yeah
Follow me you will see, it's alright
We'll fly so high on this joyride
Come with me, it's a joyride
Love's a sweet remedy, it's a joyride
Follow me you will see, it's alright
We'll fly so high on this joyride
Joyride, joyride
