

# Attitude

## The Kinks

You go down the pub  
You wear make up  
And old dads trousers  
Why don't you tidy up  
You talk like a docker but you act like a queer  
You drink champagne then complain it's too dear  
You try so hard not to follow any trends  
Then you cry in your beer and say you've got no friends  
But is it any wonder that you've got no friends  
But it's not the make up  
Or the way you dress  
It's not your appearance, that they all detest  
It's not your manners, that you gotta improve  
Ooooo-it's your attitude.

[Chorus]

Attitude, Oo Oo Oo

Your attitude

Attitude, Oo Oo Oo

Your attitude

Take off your head phones

Hear what's going on

You can't live in a time zone

You've gotta move on

But before you get there

There's one thing you've gotta do

Oh change your attitude

It's your attitude

It's your attitude

[Chorus]

Attitude, Oo Oo Oo

Your attitude

Attitude, Oo Oo Oo

Your attitude

The '80s are here, I know 'cause I'm staring right at them

But you're still waiting for 1960 to happen

You might have the illness, but you've got the cure

You've got the answer, you will endure

You're the only person that's gonna pull you through

Ooh, with your attitude

[Chorus]

Attitude, Oo Oo Oo

Your attitude

Attitude, Oo Oo Oo

Your attitude

You gotta learn to be positive, it's your only chance  
You mustn't be so defensive, you gotta join in the dance  
But it isn't your dancing that you've gotta improve  
Ooh, it's your attitude.

[Chorus]

Attitude, Oo Oo Oo

Your attitude

Attitude, Oo Oo Oo

Your attitude

It's all the music

It's all in your brain

You've used all the old licks

Now it's all gotta change.

Change your attitude

It's your attitude

Attitude
