

Too Young To Love

The Big Pink

Once, now and then and never again
Once, now and then and never again
 All night we turn and turn
 It makes sense to turn again
 All night we turn and turn
 Innocence, too young to love
 AloneOnce, now and then and never again [x4]
 BreakOnce, now and then and never again
Once, now and then and never againAll night we turn and turn
 It makes sense to turn again
 All night we turn and turn
 Innocence, too young to love
 AloneAlone alone alone
 And you're too young to love
And you're too young to loveOnce, now and then and never again
Once, now and then and never againAll night we turn and turn
 It makes sense to turn again
 All night we turn and turn
 In a sense too young to love
 Alone
