## This City Awaits

I write this letter with I love you  
But I regret it  
I'm not sure how I feel anymore

You're always slipping away into  
Everything I hate  
How could you let it get this far  
I should've left you in the dark

Back and forth  
Back and forth  
You're lying to me  
What are you thinking?  
What are you thinking?  
I didn't mean  
I didn't mean  
For you to feel this way  
I'm sorry  
I'm sorry  
(NATHAN)

I have every reason in the world to scream  
That I hate you  
But I'm not ready to

I didn't say all' these things to be  
All up in your face  
I hope you can change  
Before I sign off sincerely

Back and forth  
Back and forth  
You're lying to me  
What are you thinking?  
What are you thinking?  
I didn't mean  
I didn't mean  
For you to feel this way  
I'm sorry

I'm sorry

I didn't mean

I didn't mean

For you to feel this way

I'm sorry

I'm sorry

Back and forth

Back and forth

You're lying to me

What are you thinking?

What are you thinking?

I didn't mean

I didn't mean

For you to feel this way

I'm sorry

I'm sorry

(NATHAN)
