

# Hard Working Woman

[B.B. King](#)

Got a hard working woman, works hard all day long  
Got a hard working woman, she works hard all the time  
She's a hard working woman, I call her that gal of mine Well, I went uptown and bought her clothes  
My baby got my money, put me outdoors  
She's a hard working woman  
Hard working woman  
Hard working woman  
Hard working woman, works hard all the time  
Well, I bought her clothes and I bought her hair  
My baby's gone, gone away somewhere  
She's a hard working woman  
Hard working woman  
Hard working woman  
Hard working woman, works hard all the time She works hard all day, doing the best she can  
When you come home at night, she's got another man  
She's a hard working woman  
Hard working woman  
Hard working woman  
Hard working woman, works hard all the time  
Well, I give her my dough to spend on the line  
When it comes to loving, she's the gal of mine  
She's a hard working woman  
Hard working woman  
Hard working woman  
Hard working woman  
Good loving mama, and I love her all the time
