

# Hometown Girl

ZHU

You'll never be my hometown girl  
There's nothing like her in this world  
I'm tired of the get around girls  
Ain't nothing like my hometown girl You told me you were cool with kickin' it  
In my crib, in my pool, we be dippin' in  
But some days you would look at me so different  
(Ooh, why?)  
Is it because I'm in the music biz?  
Or you don't wanna love me when I'm just strugglin'?  
But you still tell me that you're my hometown chick, why? I'm missing someone else  
This will never be the same  
But I blame it on myself  
Because I can't make you change You'll never be my hometown girl  
There's nothing like her in this world  
I'm tired of the get around girls  
Ain't nothing like my hometown girl I can't remember when we last expressed  
All the feelings in our hearts that we possess  
Even though we're making love, it's not passionate  
(Ooh, why?)  
You keep on running back into the past  
Tying to hold on to my love, but you can't make it last forever  
So I must confess I'm missing someone else  
This will never be the same  
But I blame it on myself  
Because I can't make you change You'll never be my hometown girl  
There's nothing like her in this world  
I'm tired of the get around girls  
Ain't nothing like my hometown girl
