

U Don't Know Me

Twista

Uh, China White, Oobie, Twista
Now thick, we roll on plenty chrome
50 strong when the temp is on, then I kick it on
Butter-bee how could you get it wrong
Girl yo homey don't know what she talkin' bout
Told you I came at her, now you wildin' and walkin' out
She tryin' to hate
You took the bait and you shoulda just been tickled
Cause you rollin' on 20-inch nickels neck and wrist full of sickles
Oobie, you wanna do me girl please, I'm who you need
Steady stackin' G's, I'm been givin' you too much cheese to leave
Every time that I come around you you're shovin'
Yo money all up in my face and that's you're first mistake
The things that you bought for me were cool
But I still don't have to give in to you, you can't buy me
Boy you 'bout to get lonely pushin' up on my homey
'Cause u don't know me, u don't know me
And boy you got to be crazy thinkin' I was still yo' lady
But u don't know me, u don't know me
Every time that I turn my back you
Are tryin' to get all in my home girl's face
You know you're outta place
You embarrass yourself from the things you do
But it's not the issue I don't want you, don't want you
And she told me what you said about me
But you didn't tell her you were handin' out G's
Straight takin' care of me, takin' care of me
Boy you 'bout to get lonely pushin' up on my homey
'Cause u don't know me, u don't know me
And boy you got to be crazy thinkin' I was still yo' lady

But u don't know me, u don't know me
Now boy you're not here do what you wanna do to me
Just 'cause you paid off my bills for me
You're not gon' lie and cheat on me
Especially not with my homies
You need to know that I heard all yo' lies before
Don't be runnin' that bullshit on me no more
All dried out with them lies baby

That's why you about to be lonely
Boy you 'bout to get lonely pushin' up on my homey
'Cause u don't know me, u don't know me
And boy you got to be crazy thinkin' I was still yo' lady
But u don't know me, u don't know me
So back up off me, u don't know me
You playin' games but u don't know me
Up on my home girl, u don't know me
That's why you lonely 'cause u don't know me
So back up off me, u don't know me
You playin' games but u don't know me
Up on my home girl, u don't know me
That's why you lonely 'cause u don't know me
Boy you about to be lonely you
Pushin' up on my homey you
You about to be lonely you
You about to be lonely, lonely
Boy you 'bout to get lonely pushin' up on my homey
'Cause u don't know me, u don't know me
And boy you got to be crazy thinkin' I was still yo' lady
But u don't know me, u don't know me
