

If He Ain't Gonna Love You

Jake Owen

Girl, well, I don't know what kind of fool he must be
To think that he could leave you alone
And nobody would be taking you home Girl, I need to talk to you
'Cause I got a question, it's more like a suggestion
And here's the deal
If he ain't gonna love you
If he ain't gonna love you, I will Like you never been loved before
Up against the wall when you walk in the door
Looking like you wanna leave, you want some more
If he ain't gonna love you, I will Girl, well, it's obvious that something ain't right
Or else you wouldn't be here tonight
And I don't wanna come on too strong
Don't get me wrong Girl, I need to talk to you
'Cause I got a question, see, it's more like a suggestion
And here's the deal
If he ain't gonna love you
If he ain't gonna love you, I will Like you never been loved before
Up against the wall when you walk in the door
Looking like you wanna leave, you want some more
If he ain't gonna love you, I will
Oh, girl, I will If he ain't gonna love you
If he ain't gonna love you
If he ain't gonna love you
If he ain't gonna love you, I will
If he ain't gonna love you
If he ain't gonna love you
If he ain't gonna love you
If he ain't gonna love you Girl, I need to talk to you
Oh 'cause I got a question, see, it's more like a suggestion
And here's the deal
If he ain't gonna love you
If he ain't gonna love you, I will Like you never been loved before
Up against the wall when you walk in the door
Looking like you wanna leave, you want some more
If he ain't gonna love you, I will Give you something you can hold onto
Never gonna stop 'til the whole night's through
Love you like a lover is supposed to do
If he ain't gonna love you, I will
I will, oh, girl, I will

If he ain't gonna love you, I will
