Catpeople

the love is your eye
i think awhile
dreams are broken
they wont be mine

and i think of you i say
how tonight i hope tonight
when i think of you i say
how tonight i hope tonight
when i think of you i say
how tonight i hope tonight

the love is your eye
i think awhile
never spoken
whats would be awhile

when i think of you i say
how tonight i hope tonight
when i think of you i say
how tonight i hope tonight
when i think of you i say
how tonight i hope tonight
tonight, tonight, tonight .... tonight

the love is your eye
the love is your eye
