

No Way to Be

Teddy Thompson

I'm on your back
I've got no patience
Defensive stance
It's just frustration But it's no way to be
That's no way to be
That's no way to be You think too much of me
It gives me shivers
Of responsibility But that's no way to be
That's no way to be
That's no way to be Wish it wasn't me
