

# Hard Time Killin' Floor Blues

[Kelly Joe Phelps](#)

Hard times are here  
And everywhere you go  
Times are harder than  
They ever been beforeHmm, hmm  
Hmm, hmmYou know, people are driftin'  
From door to door  
But they can't find no heaven  
I don't care where they goHmm, hmm  
Hmm, hmmPeople, if I ever can get up off  
This hard killin' floor  
Lord, I won't get down  
Down this low no moreHmm, hmm  
Hmm, hmmWell, you hear me singin' this old  
Old lonesome song  
People, you know these hard times  
Can't last us so longHmm, hmm  
Hmm, hmmHmm, hmm  
Hmm, hmm
