Oh Me, Oh My

Imogen Heap

Quiet now in sleepy dreams

To me it seems the only time to be just me

Bombarded by the phone in my own home

Can't get the space that I need and how I need it, yeahAnd oh me, yeah and oh my

And oh me, me, me, oh my

Oh, when I look, when I look at my life

And oh me, oh my, when I look at my life, yeahCrowded by the city, all around me

Need some silence from the loud and noisy crowds

And I'm trying to catch a breath through the air of death

Can't see the sun for the clouds, those dirty cloudsAnd the night has no compassion for your actions

When you're trying to get away from the hard day, yeah

And I need someone to talk to apart from you

But I, I guess that's just the way, come what may And oh me, yeah and oh my

And oh me, me, me, oh my

Oh, when I look, when I look at my life

And oh me, oh my, when I look at my lifeOh, God, are You there?

Are You there, are You there? No, no, yeah

God, are You there

Are You there, are You there? YeahWell are You out there, are You there?

Are You there, are You there?

If so, where are You hiding?

I'm having trouble in finding YouOh me and oh my

And oh me, me, me, me, oh my

Oh, when I look, when I look at my life

And oh me, oh my, when I look at my lifeOh, God, are you there?

Are You there, are You there? No, no, yeah

God, are You there

Are You there, are You there? No

Well are You out there, are You thereAre You out there, are You out there?

Are You out there, are You out there?

Are You out there?
