

Looking For Love (2000 Remastered Version)

The Babys

Up in the sky deep in the sea
I'm looking for love where can it be?
Been everywhere and I've asked everyone
I'm looking for love but love can't be day after day
The need in me grows
The more that I need the more that it shows
Lone will I be cannot survive
I need some love to keep me alive
Looking for love, looking for love
Yeah, yeah looking for love
Yeah, yeah, yeah up in the sky deep in the sea
I'm looking for love where can it be
I've been round the world I've asked everyone
I'm looking for love but love never comes
