

# When It Comes to You

## Waldo

Instrumental  
When it comes to you  
there ain't nothing  
i won't do  
When it comes to you  
there ain't nothing  
i won't do  
Girl i ask myself, time after time,  
what must i do, to make you mine,  
i walked around the world, and back again  
just for you, i'd do it again  
Yes, i'll follow you straight to the stars,  
whatever it takes, no matter how far,  
and i'll give you all i can give,  
whatever you want, whatever it is  
When it comes to you  
there ain't nothing  
i won't do  
When it comes to you  
there ain't nothing  
i won't do  
Instrumental  
I will follow you in all directions,  
just to show you with love and affection,  
and i'll make the love to suit your taste,  
you just name the time and the place.  
Yes, i'll follow you straight to the stars,  
whatever it takes, no matter how far,  
and i'll give you all i can give,  
whatever you want, whatever it is  
When it comes to you  
there ain't nothing  
i won't do  
When it comes to you  
there ain't nothing  
i won't do  
Instrumental  
Yes, i'll follow you straight to the stars,  
whatever it takes, no matter how far,  
and i'll give you all i can give,  
whatever you want, whatever it is  
When it comes to you,  
there ain't nothing,  
i won't do,  
When it comes to you,  
there ain't nothing,  
i won't do,  
I'll take you 'round the world my sweet,  
just to knock you off your feet  
There ain't nothing  
I'll tell you what you wanna hear,  
Just to have you love me  
There ain't nothing  
When it comes to you,  
there ain't nothing,  
i won't do,  
I'd buy you anything in town,  
Just to keep your love all mine  
There ain't nothing  
When it comes to you,

there ain't nothing,  
i won't do, When it comes to you,  
there ain't nothing,  
i won't do,
