## **Overjoyed**

## **Stevie Wonder**

Over time, I've been building my castle of love Just for two, though you never knew you were my reason

I've gone much too far, for you now to say

That I've got to throw my castle awayOver dreams, I have picked out a perfect 'come true'

Though you never knew it was of you I've been dreaming

The sandman has come from too far away

For you to say, "Come back some other day" And though you don't believe that they do

They do come true, for did my dreams

Come true when I looked at you

And maybe too, if you would believe

You too might be overjoyed, over loved, over meOver hearts, I have painfully turned every stone Just to find, I had found what I've searched to discover

I've come much too far for me now to find

The love that I've sought can never be mineAnd though you don't believe that they do

They do come true, for did my dreams

Come true when I looked at you

And maybe too, if you would believe

You too might be overjoyed, over loved, over meAnd though the odds say improbable

What do they know for in romance

All true love needs is a chance

And maybe with a chance you will find

You too like I, overjoyed, over loved, over youOver you
