

# Float

## Kasan

Drank away the rest of the day  
Wonder what my liver would say  
    Drink, that's all you can  
Blackened days with their bigger gales  
Blow in your parlor to discuss the day  
    Listen, that's all you can  
Ah, but don't, no don't sink the boat  
That you built, you built to keep afloat  
    Ah no, don't, no don't sink the boat  
    That you built  
Sick and tired of what to say  
    No one listens, anyway  
    Sing, that's all you can  
    Rambling years of lousy luck  
You miss the smell of burning turf  
    Dream, that's all you can  
Ah, but don't, no don't sink the boat  
That you built, you built to keep afloat  
    Ah no, don't, no don't sink the boat  
That you built, that you built to keep afloat  
    Singled out for who you are  
    It takes all types to judge a man  
    Feel, that's all you can  
    Filthy suits with bigot ears  
    Hide behind their own worst fears  
  
    Live, that's all you can  
    It's all you can  
    It's all you can do  
No matter where I put my head  
I wake up feeling sound again  
    Dream, it's all you can  
    Tomorrow smells of less decay  
The flowers quick just bloom and fray  
    Be thankful, that's all you can  
    Ah, but don't, don't sink the boat  
That you built, you built to keep afloat  
    Ah no, don't, no don't sink the boat  
That you built, you built to keep afloat

Ah no, don't, oh no, don't sink the boat  
Oh, that you built, that you built to keep afloat  
    A ripe old age, a ripe old age  
    I'm a ripe old age, that's what I am  
    I'm ripe old age, a ripe old age  
    A ripe old age, just do it the best I can, hey  
        A ripe old age, a ripe old age  
        A ripe old age, that's what I am  
        A ripe old age, a ripe old age  
    A ripe old age, just do it the best I can, hey  
        The best I can
