Fire in the Middle

Nightmares on Wax

You take somebody while they're home
That what you hear about his watch
[Unverified] miss, I'll tell you that

Beh ba ba ba ba
Beh ba ba ba ba
Beh ba ba ba ba
Beh ba ba ba ba
Beh ba ba

He had this blond hair you could see
Clear across the yard
Another lover to play with

On a sunny day
He goes to [unverified] just to get
Get out of the house

Beh ba ba ba ba
Beh ba ba ba ba
Beh ba ba ba ba
Beh ba ba ba ba
Beh ba ba ba ba
Beh

Oh [unverified] to stay out at all
LIke [unverified] you new crew cut low
