

# Knock 'em Dead

## Shannon and The Clams

You feel nothing  
I feel something  
You have nothing  
I want something  
I am nothing  
You are nothing  
We are nothing  
And that is something Pick em up  
Knock em down  
Knock em dead  
Move along  
You feel nothing  
I feel something  
You have nothing  
I want something  
I am nothing  
You are nothing  
We are nothing  
And that is something Pick em up  
Knock em down  
Knock em dead  
Move along Pick em up  
Knock em down  
Knock em dead  
Move along  
Pick em up  
Knock em down  
Knock em dead  
Move along
