

I Love New York

Madonna

I don't like cities
But I like New York
Other places make me feel like a dork
Los Angeles is for people who sleep
Paris and London, baby you can keep
Other cities always make me mad
Other places always make me sad
No other city ever made me glad
Except New York
I love New York
I love New York
I love New York
If you don't like my attitude
Then you can F off
Just go to Texas
Isn't that where they golf?
New York is not for little pussies who scream
If you can't stand the heat
Then get off my street
Get off of my street
Get off my street
You get off of my street
Get off my street
You get off of my street
Get off my street
Just get off my street
Other cities always make me mad
Other places always make me sad
No other city ever made me glad
Except New York
I love New York
I love New York
I love New York
I love New York
