

# 'Til I Hear You Sing

Ramin Karimloo

The day starts, the day ends  
Time crawls by  
Night steals in, pacing the floor  
The moments creep,  
Yet I can't bear to sleep  
Till I hear you sing And weeks pass, and months pass  
Seasons fly  
Still you don't walk through the door  
And in a haze  
I count the silent days  
Till I hear you sing once more. And sometimes at night time  
I dream that you are there  
But wake holding nothing but the cold night air And years come, and years go  
Time runs dry  
Still I ache down to the core  
My broken soul  
Can't be alive and whole  
Till I hear you sing once more And music, your music  
It teases at my ear  
I turn and it fades away and you're not here Let hopes pass, let dreams pass  
Let them die  
Without you, what are they for?  
I'll always feel  
No more than halfway real  
Till I hear you sing once more
