

# Jesus Is Just Alright

## DC Talk

Do do do dupe dupe

Do do do dupe

Do do do dupe dupem dupe dopem do

[Check it for me one time]

[Ohhhh, yeah yeah](chorus)

Jesus is still alright with me

Jesus is still alright, oh yeah

Jesus is still alright with me

Jesus is still alright Toby Mac, and the Mac is back no slack

On a DC track that's jacked, beyond comprehension

I believe that I failed to mention that

There's a lack of recognition

When it comes to His position

Cause if Christ can't be crossed over,

Then I'll keep my beat up nova(repeat chorus 1)(chorus 2)

I don't care what they may say

I don't care what they may do

I don't care what they may say

Jesus is still alright Back in place, and I'm all up in your face

With a rhyme that I embrace, like a mother to her child

I'm kickin' it Jesus style

To the ones that think they heard

I did use the "J" word

Cause I ain't too soft to say it

Even if DJ's don't play it do do do dupe dupem dupe dopem do (3x)

Jesus is still alright

[Oh, I'm hopin' and I'm praying] Jesus is still alright

Jesus still alright, oh yeah

Jesus is still alright

Jesus is still alright

[oh yeah](breakdown)

Jesus is alright, I know He's alright

Jesus is alright, you know He's alright

Jesus is alright, we know He's alright

Jesus is alright, we know He's alright [Now we come to the pay off] I'm down with the one that is known as the

Son

Of the G to the O to the D never done

With the flow, in the know, on the go like a pro

Not for show cause I ain't in the biz for the dough

Or the me, or the ray, all the dough's gotta stay,  
Cause I can't, no I can't, take it home anyway  
Never trite when I write cause the Lord is my light  
And His Word is my bond so ya know, He's alright(repeat choruses 1 and 2)[think about it...]
