

Christmas Is the Warmest Time of the Year

[Aaron Tippin](#)

Candy canes and popcorn strings and lights all up on the tree presents underneath the tree wrapped for you and
me Christmas is the warmest time of year. Chorus:

The Temperature will drop for sure it could be 10 below no matter 'cause our hearts will be aglow and even
though we might see snow and jack frost may appear christmas is the warmest time of the year. Oh the
temperature will drop for sure it could be 10 below no matter 'cause our hearts will be aglow and even though we
might see snow and jackfrost may appear christmas is the warmest time of the year
Oh christmas is the warmest time of the year.
