

# Robot Boy

## The Ghost of a Saber Tooth Tiger

You say you're not gonna fight  
'Cause no one would fight for you  
And you think there's not enough love  
And no one to give it to  
And you're sure you've hurt for so long  
You've got nothing left to lose  
So you say you're not gonna fight  
'Cause no one would fight for you  
You say the weight of the world  
Has kept you from letting go  
And you think compassion's a flaw  
And you'll never let it show  
And you're sure you've hurt in a way  
That no one will ever know  
But someday, the weight of the world  
Will give you strength to go  
Hold on, the weight of the world  
Will give you the strength to go  
So hold on, the weight of the world  
Will give you the strength to go  
So hold on, the weight of the world  
Will give you the strength to go  
Just hold on, the weight of the world  
Will give you the strength to go
