Steal That Car

Alice Cooper

It just ain't fair I was put in that position
Somebody left their keys in the ignition
I saw the unlocked door and I made my decision
I just can't help myselfEverybody knows I'm gonna steal that car
My reputation shows, I'm gonna steal that car
I did some time in '99, I'll do some time again
Everybody knows I'm gonna steal that carI don't get bored with a Chevy or a Ford
With a V8 engine and a four on the floor
And a naughty Maserati can't be ignored
I just can't help myselfEverybody knows I'm gonna steal that car
My reputation shows, I'm gonna steal that car
I did some time in '99, I'll do some time again
Everybody knows I'm gonna steal that car, yeahEverybody knows, I'm gonna steal that car
My reputation grows, I'm gonna steal that car
I did some time in '99, I'll do some time again
Everybody knows I'm gonna steal that carMy reputation shows, I'm gonna steal that car
Steal that car, steal that car, steal that car
Steal it, steal it, steal it
Steal it, steal it, steal it
Steal it, steal it, steal itCar, I want that car
I want that car
I want that car
