Rolling Hills

Lebowski

Among the rolling hills, I'll live my life in Him
Oh, I will live my life in Him among the rolling hills
I'll be with my wife and child, I'll do no man no ill
Oh, I will do no man no ill among the rolling hills
Well, among the rolling hills, I'll read my Bible still
Oh, I will read my bible still among the rolling hills
And with my pen I'll write my song among the rolling hills
With my pen I'll write my song among the rolling hills
Alright
Yeah, yeah, yeah
I will do my jig among the rolling hills
I will do my jig and live among the rolling hills
With my pen I'll write my song among the rolling hills
With my pen I'll write my song among the rolling hills
And I'll stand and watch it all among the rolling hills
Oh, I will stand and watch it all among the rolling hills
Again
Take up my pen and I'll write my song among the rolling hills
Take up my pen and I'll write my song among the rolling hills
Last one
I'll take up my pen and I'll write my song among the rolling hills
