The Last Day I Was Happy

Scarling.

I'm in a perfume heaven
With a cement sky
I wanna rip her head off
And I don't know why
I wanna think of nothing
Think I'll drink the sea
I wanna feel him crawl all over meI wanna drive to Vegas in your Nazi car
I wanna be in your head while you're at a bar
I wanna hang your windows when you've gone to the sea
I wanna feel him crawl all over me.I just wanna lie...I just wanna lie here
Just wanna lie here
Just wanna lie here next to you
I just wanna lie here
Just let me die here
Just let me dieI just wanna lieI just wanna lie here
Just wanna lie here
Just let me die here next to you
I just wanna lie here
Just wanna lie here
Just wanna lieI wanna do you favors
Want to span time
I wanna feel your heart race in mine
I wanna rip you open while you're laughing at me
It'd be the last day I was happyLie..... I just wanna....
Lie..... I just wanna....
