Chains That Hold

Roxy Gunn

You say you trust him with your life
But tell me, if it came down to it,
Would you even try to put up a fight?
Will you stay loyal? Will you stay true?
I know you'd pick him up if he fell,
But would he do the same for you?

And I know this isn't what you want to hear
But I'm telling you this as a friend,
The ones you have to watch the closest
Are the ones you hold dear,
And get out of it while you can!

Watch yourself girl,
There's lies hiding behind his pretty blue eyes
I'd watch my back if I were you,
One of these days you've got to break the chains
And the hold he's got on you
One of these days you've got to break the chains
And the hold he's got on you, yeah.

You say, "He's not like that," but I've seen it before
He'll lead you on for years, but then he'll start to dissipate
What kind of fool does he take you for?
You know you're better than this,
But you gotta get out before it's too late!

And I know this isn't what you want to hear
But I'm telling you this as a friend,
The ones you have to watch the closest
Are the ones you hold dear,
And get out of it while you can!

Watch yourself girl,
There's lies hiding behind his pretty blue eyes
I'd watch my back if I were you,
One of these days you've got to break the chains
And the hold he's got on you
One of these days you've got to break the chains

And the hold he's got on you.

He can't continue, he has no right!
I think it's time that you put up that fight!
Look at all the times, he's made you cry
I refuse to sit back and watch you die...

Watch yourself girl,
There's lies hiding behind his pretty blue eyes
I'd watch my back if I were you,
One of these days you've got to break the chains
And the hold he's got on you
One of these days
One of these days you've got to break the chains
And the hold he's got on you.
