

# My Heart Can't Tell You No

Sara Evans

I don't want you to come around here no more, I beg you for mercy  
You don't know how strong my weakness is, or how much it hurts me  
Cause when you say it's over with her, I want to believe it's true  
So I let you in knowing tomorrow  
I'm going to wake up missing you  
Wake up missing you

When the one you love is in love with someone else  
Don't you know it's torture I mean it's a living hell  
No matter how I try to convince myself  
This time I won't lose control  
One look in your blue eyes and suddenly  
My heart can't tell you no

I don't want you to call me up no more saying you need me  
Your crazy if you think just half your love could ever please me  
But still I want to hold you, touch you, when you look at me that way  
There's only one solution that I know of  
You've got to stay away from me  
Stay away from me

When the one you love is in love with someone else  
Don't you know it's torture I mean it's a living hell  
No matter how I try to convince myself  
This time I won't lose control  
One look in your sad eyes and suddenly  
My heart can't tell you no  
My heart can't tell you no

I don't want you to come around here no more, I beg you for mercy  
When the one you love is in love with someone else  
Don't you know it's torture I mean it's a living hell  
When the one you love is in love with someone else  
Don't you know it's torture I mean it's a living hell  
Living hell  
(When the one you love is in love with someone else  
Don't you know it's torture I mean it's a living hell)
