

99 Revolutions (demo)

Green Day

There's a trouble in the air
A rumble in the streets
A going out of business sale and a race to bankruptcy
It's not one to 99, it's 99 to one
A common cause and a call to arms for the health of our daughters
And our sons
It's 99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
There's a rat in the company
A bail out on easy street
How the fuck did the working stiff
Become so obsolete?
Hit the lights and bang the drum and let your flag unfold
'Cause history will prove itself in the hall of justice and lost souls
It's 99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
We live in troubled times
From the ghettos to an empty suburban home
We live in troubled times
And I'm 99 percent sure that something's wrong
It's all wrong
It's 99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
99 revolutions tonight
9, 9 to 1
To one
