Don't Fix It

Squirrel Nut Zippers

If it ain't broke don't fix it
Mama, I love that stuff
That's why I'm confessin' to you, babe
We've got to fix this upI've been all over the whole world
I've learned a thing or two
So if it ain't broke don't fix it
That's what I'm stickin' with youHad I met you on a clouded day
Things might not have worked out
Since I met you on that sunny day
That first kiss knocked me outI know you've got your problems
Honey, I've got mine too
So if it ain't broke don't fix it
That's why I'm stickin' with youI know you've got your problems
Mama, I've got mine too
If it ain't broke don't fix it
That's why I'm stickin' with youI've been all over the whole world
I've learned a thing or two
If it ain't broke don't fix it
