

# You Could Make A Killing

[Aimee Mann](#)

(one two three once again go) There is nothing that competes with habit  
And I know it's neither deep nor tragic  
It's simply that you have to have it So you can make a killing  
Oh you can make a killing  
Oh you can make a killing I wish I was both young and stupid  
Then I too could have the fun that you did  
Till it was time to pony up what you bid So you could make a killing  
Oh you could make a killing  
Oh you could make a killing I could follow you and search the rubble  
Or stay right here and save myself some trouble  
Or try to keep myself from seeing double Or I could make a killing  
Or I could make a killing  
Oh I could make a killing  
Yeah I could make a killing  
I could make a killing
