

Our Day Will Come (Ft. Kendra Foster of P-Funk)

George Clinton

Our day will come and we'll have everything
We'll share the joy falling in love would bring
No one can tell me that I'm too young to know
I love you so and you love me Our day will come if we just wait a while
No tears for us, think love and wear a smile
Our dreams have magic because
We'll always stay in love this way
Our day will come No one can tell me that I'm too young to know
I love you so and you love me Our dream have magic because
We'll always stay in love this way
Our day
