

# I Don't Care

Cheryl

Waking up diagonal like an animal  
In a cold and empty bed, yeah  
Shaking off that dream of you,Â I got shit to do  
And I'm ready to forget, oh yeah  
I heard you brought that girl around  
In half a gown and asked if I've been there, oh yeah  
Ask me how I'm doing now, I scream out loud  
I tell him I don't care  
And I don't careI don't care  
And it feels so fucking good to say I swear  
That I don't care  
And every word  
There are ordinary hearts so don't play fair  
But I don't careI don't care, oh  
I don't care  
Oh no  
I don't care, oh  
I don't care  
Oh noIn this town, word gets around,Â but don't bring me down  
It's just static in my head, yeah  
So take me out and turn it upÂ well let's make it rough  
We're gonna wake the dead,Â oh baby  
Everyone is saying now, to slow it down  
Or I'll get hurt again, oh yeah  
When these things are feeling me, it's healing me  
And I'm screaming I don't care  
And I don't careI don't care  
And it feels so fucking good to say I swear  
That I don't care  
And every word  
There are ordinary hearts so don't play fair  
But I don't careI don't care, oh  
I don't care  
Oh no  
I don't care, oh  
I don't care  
Oh noThere's an arrow in your way  
Doesn't matter anyway, oh oh  
I can see the milky way

And it seems so far away, oh  
It doesn't matter anyway  
It's all falling into place, oh  
Just ignore the pretty face  
Disappears without a trace  
There ain't nothing left to sayI don't care  
Feels so good oh  
I don't care, oh  
I don't careI don't care  
And it feels so fucking good to say I swear  
That I don't care  
And every word  
There are ordinary hearts so don't play fair  
I don't careI don't care, oh  
I don't care  
Oh no  
I don't care, oh  
I don't care  
Oh no
