

9th Life

Papa Roach

This'll be my 9th life
Hey, hey
This'll be my 9th life I fall down and I blackout
I'm a closed down
I'm a zombie in my head
I'm an earthquake
Make the world shake
And I won't break
You can't kill the living dead Because I shot once
And I shot twice
And I died three times
I'm still standing here Here we go again
This'll be the last time
This'll be the last word
And here we are
Hanging on my last tie
Living just to die
I lost the castle, kept the crown
I built this house to burn it down tonight
This'll be the last time
This'll be my 9th life This'll be my 9th life
9th life I spit blood like a flashflood
Than I rise up
No you'll never keep me down
I'm a freight train
Burning in flames
I've got no shame
And I'm crashing through your town Because I died once
And I died twice
And I'd died three times
I'm still standing here Here we go again
This'll be the last time
This'll be the last word
And here we are
Hanging on my last tie
Living just to die
I lost the castle, kept the crown
I built this house to burn it down tonight
This'll be the last time

This'll be my 9th life This'll be the last time

This'll be my 9th life

This'll be the last time

This'll be my 9th life

This'll be the last time

This'll be my 9th life

This'll be the last time

This'll be my 9th life Here we go again

This'll be the last time

This'll be the last word

And here we are

Hanging on my last tie

Living just to die

I lost the castle, kept the crown

I built this house to burn it down tonight

This'll be the last time

This'll be my 9th life
