Above All That Is Random 5

Christina Grimmie

(Woah) We are singing to our lava lamp
And it's bubbleh, bubbleh, bubbleh
(Woah) We are singing to our lava lamp
And it's bubbleh, bubbleh, bubbleh
That's why, yeah yeah
That's why, yeah yeah
[Sarah]I do believe in Harvey Dent, I do, I do
I do believe in Harvey Dent, I do, I do
[Christina]I am lost in this crazy zoo
Why is there a monkey sleeping in my shoe?
Call 911! My unicorn broke his horn
Carrots are green, broccoli is orange,
My grandma just screamed,
"What happened to the floor-ends?!"
Fraggedy wakaa waka
(Woah) We are singing to our lava lamp
And it's bubbleh, bubbleh, bubbleh
(Woah) We are singing to our lava lamp
And it's bubbleh, bubbleh, bubbleh
That's why, yeah yeah
That's why, yeah yeah
[Sarah]Rhyme, rhyme, we like to rhyme,
We like to rhyme all the time
We rhyme we run, we rhyme it's fun
We rhyme when we play, we rhyme all day
We rhyme when doing crazy things,

Like fly a kite with big ol' wings
Even when we pet a moose, we can rhyme like Dr. Seuss
[Christina]I'd cry so hard and laugh so loud,
Stars could here me up in the clouds
Have a great time this Christmas season
Your music and no better reason
To sit around have a great time with nothing but you in my mind
I'd love to meet you but I guess that's creepy
Ya'll don't know me, my words are cheaply
[Sarah]My sock sings me songs when I'm lonely and need a friend
My sock sings me songs
And they're singin'

My sock sings me songs when I'm lonely and need a friend
My sock sings me songs
And they're singin'
LA, LA DI DIE, LA DI DIE, LA DI DIE DI DIE DI DIE
LA DI DIE, LA DI DIE
and they're singin'
LA, LA DI DIE, LA DI DIE, LA DI DIE DI DIE DI DIE
LA DI DIE, LA DI DIE
Fraggedy wakaa waka
(Woah) We are singing to our lava lamp
And it's bubbleh, bubbleh, bubbleh
(Woah) We are singing to our lava lamp
And it's bubbleh, bubbleh, bubbleh
That's why, yeah yeah
That's why, yeah yeah
