Loud

Unjust

[Verse 1]
Only titles remember...
Then you took it away...
Broken Laws for the pleasure
It seems to be.
The more they fight we rebel
It ain't so bad[Chorus 1]
We come Loud
LOUD![Verse 2]
Different kinds put together
Spoken thoughts twist of faith
Lord knows it's the keys
Hidden me!
Then there's not much to say.
It ain't so bad![Chorus 2]
We come
Loud
Loud, Loud[Bridge]
I know, What it seems
Take me, Open side.
Take my breath away,
Nothing else to say.
Change the page of all
To read Freedom, Justice,
One Love, Kingdom, We Come![Chorus 3]
Loud
Loud, Loud
We Come
Loud
Loud, Loud
