

# Naked Love

Adam Lambert

O whoa-o, yeah yeah yeah  
O whoa-o, yeah yeah yeah Lose control, collision course  
When you, my love, call nine one one So roll the dice  
Get lucky tonight  
I know you're holding back  
No more hesitation Just come on  
I want your naked love  
So don't you dress it up tonight  
Come on  
You know your naked love  
Is what I'm dreaming of tonight  
Oh whoa-o yeah yeah yeah  
Oh whoa-o yeah yeah yeah Take it off  
And try me on  
The hottest threads  
You ever wore  
So roll the dice  
Get lucky tonight  
I know you're holding back  
No more hesitation Just come on  
I want your naked love  
So don't you dress it up  
Tonight Come on  
You know your naked love  
Is what I'm dreaming of  
Tonight  
Ooh  
Whoa  
Yeah yeah yeah  
Ooh  
Whoa ooh  
Yeah yeah yeah  
(Alright) Hey yeah  
All night, eh!  
Alright, alright, yeah yeah yeah  
Yeah Just come on  
I want your naked love  
So don't cha dress it up tonight  
Come on

You know your naked love  
Is what I'm dreaming of tonight  
Oh whoa-o yeah yeah yeah  
Oh whoa-o yeah yeah yeah
