Soldier Of Time

At Vance

Closing your eyes
to discover your mind
raisin your weapons
against the enemys you'll findcrossing your sword
in glorious fights
don't waste a word
as you fight with the knightsgraceful they stand
honored they fall
heroes of their land
can't you their call(from the) soldiers of timefightin a battle
with all of the greats
wounded you fall
but it's never too latestand up and fight
and the victory be'll yours
wrong won't be right
you could be opening the doorsgraceful you stand
you'll never fail
hereoe of your land
you've got to surviveYou've been a soldier of time
One in a million
Crossing the line
Your star will always shine
Thruout the centuries
To light up the skyFrom the soldiers of time
