

Soldier Of Time

At Vance

Closing your eyes
to discover your mind
raisin your weapons
against the enemys you'll find
crossing your sword
in glorious fights
don't waste a word
as you fight with the knights
graceful they stand
honored they fall
heroes of their land
can't you their call
(from the) soldiers of time
fightin a battle
with all of the greats
wounded you fall
but it's never too late
stand up and fight
and the victory be'll yours
wrong won't be right
you could be opening the doors
graceful you stand
you'll never fail
hereoe of your land
you've got to survive
You've been a soldier of time
One in a million
Crossing the line
Your star will always shine
Thruout the centuries
To light up the sky
From the soldiers of time
