

# Little Man (Single Version)

Sonny & Cher

Little man, when you stand by my side  
Then I know I don't have to hide from anyone  
And I pray that we'll stay just that way  
'Till the day comes along when we catch the sun. Little girl you're runnin'  
Come catch my hand I'm near you  
Little girl you're singin'  
Come close to me I hear you You're growin' old, my mother's cold  
Now it's time that you learned what it meant to be mature  
There's no such place as make believe  
But when I look at your face,  
I'm not so sure Little girl you're runnin'  
Come catch my hand I'm near you  
Little girl you're singin'  
Come close to me I hear you You and me is what I see  
And that's the way its gonna stay and it will always be  
So little man, please understand  
In this world with all its land  
You're all I see Little girl you're runnin'  
Come catch my hand I'm near you  
Little girl you're singin'  
Come close to me I hear you Little girl you're runnin'  
Come catch my hand I'm near you  
Little girl you're singin'  
Come close to me I hear you
