

A World Without You >Michelle

Bad Boys Blue

The bride eyes of the boulevards is shining in your tender eyes
Your perfume is exciting me

If's still the same.

Michelle

How I love when we love

And I love when you whisper:

Je t'aimeMichelle

Mon amour

Is it true

Do you feel the way I do?A world without you

A world on my ownWithout your love my heart will turn to stone.

A world without you

A day without lightWithout your touch I couldn't stand one night. oh

Michelle.I know there'll be no better heart

No better heart to hold on toIf you should ever let me down

I can't survive.

Michelle

How I love when we love

And we love you whisper:

Je t'aimeMichelle

Mon amour

Is it true

Do you feel the way I do?A world without you

A world on my ownC'est toi

Et ce soir je te veux

Faire l'amour avec toi

Je t'aime!

Je sais

Mon amour

Que tu es le seul pour moi!A world without you

A world on my own

A world without youA world without you

Oh Michelle.
