

# Aka... What A Life!

Noel Gallagher

Someday you might find your hero  
Some say you might lose your mind  
I'm keeping my head down now for the summer  
I'm out of my mind but I'm falling in love  
I'm going to take that tiger outside for a ride

What a life  
What a life

Keep on chasing down that rainbow  
You'll never know what you might find  
Over the sunset on the horizon  
It may be a dream but it tastes like poison  
I'm going to take that tiger outside for a ride

What a life  
What a life  
What a life  
What a life

What a life  
What a life  
What a life  
What a life

Someday you might find your hero  
Some say you might lose your mind
