Teachers

P.O.D.

Imperial, righteous respects 'Cause we ain't done yetLock it down And overthrow all the pilots And get out of town Can you see them smilingBlisters, these bones are breaking Whispers are louder than screaming And we suffer this moment Until the day is coming That we'll reign foreverTraining day 'Cause I man is coming and we are the teachers Training day We been through the fire, 'cause we're pioneers Training day The soul of the lion, Jah love for the bleeding Training day Warrior soldiers, we still believe youCrawling through poison I lay My soul still flies with broken wings And the sun is blinding, I can't stop staring I don't wanna close my eyesRighteous respects And it's the best kept secret

I don't wanna close my eyesRighteous respects
And it's the best kept secret
And I can let go of my burdens
That keep me from living
So I can start dyingTraining day
'Cause I man is coming and we are the teachers

Training day

We been through the fire, 'cause we're pioneersTraining day The soul of the lion, Jah, love for the bleeding

Training day

Warrior soldiers, we still believe youWarriors

Jah love for the bleeding

Jah soldiers

We still believe youCrawling through poison I lay
My soul still flies with broken wings
And the sun is blinding, I can't stop staring
I don't wanna close my eyesTraining day
'Cause I man is coming and we are the teachers

Training day

We been through the fire, 'cause we're the pioneersTraining day

The soul of the lion, Jah, love for the bleeding

Training day

Warrior soldiers, we still believe you'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
