

# Sweet Virginia

## Dickey Betts

Now is time, the time is now for you to see  
In my life is where I long for you to be  
    I need a love that has no ending  
    Virginia on that I'm depending  
    Don't let me go, sweet Virginia  
    Darlin' let me in ya, in your heart  
    Don't let me go, sweet Virginia  
    Darlin' let me in ya, in your heart, sweet Virginia  
    Life is high, life is low and this I know  
    You can't hide behind the clouds, so let it show  
        Take me back to the beginning  
        To where the sun is always shining  
        Don't let me go, sweet Virginia  
        Darlin' let me in ya, in your heart  
        Don't let me go, sweet Virginia  
        Darlin' let me in ya, in your heart  
    Sweet Virginia, I need a love that has no ending  
        Virginia on you, I'm depending  
        Don't let me go, sweet Virginia  
        Darlin' let me in ya, in your heart  
        Don't let me go, sweet Virginia  
        Darlin' let me in ya, in your heart  
    Sweet Virginia, sweet Virginia, sweet Virginia
