

I'm With Stupid

Chumbawamba

Stupid, stupid, stupidGuess what? I'm with stupid
Guess what? 'Cause I'm with you
Guess what? I'm with stupid
Guess what? 'Cause I'm with youAnother white boy band
They're happy on demand
Everything is planned
Until the singer gets a habitGuess what?
Guess what? This could get to be a habit
Guess what?
Guess what? This could get to be a habitGuess what? I'm with stupid
Guess what? 'Cause I'm with you
Guess what? I'm with stupid
Guess what? 'Cause I'm with youI'm going out of my head
Inside a T.A.Z
You won't catch me livin' or dead
On the Hollywood A-listGuess what?

Guess what? Come and get your arse kissedGuess what? I'm with stupid
Guess what? 'Cause I'm with you

Guess what? 'Cause I'm with you
Guess what? I'm with stupid
Guess what? 'Cause I'm with youAnd now for the rest of this record
