

# The Yacht Club

## Owl City

My rock candy passion  
Is bittersweet and armed to the teeth  
'Cause she would rather fall in chocolate  
Than fall in love, especially with me I stood under the waterfall  
With a Kiwi pineapple parasol  
A Cinderella dropped a crystal ball  
And made a concrete cavern  
A caterpillar concert hall I wish that we could sail our sad days away forever  
In deep blue seas of paper-mache  
Let's dance in the moonlight A barracuda chased our dog days away forever  
Let's sink or swim 'til we fall in love  
And dance in the moonlight  
When we join the yacht club I would rather go swimming with great white sharks  
Than wade in romance  
'Cause I can never find the courage  
To ask her to dinner or even to dance  
Let's dance in the moonlight Don't sweat under your overcoat  
'Cause my heart can't harbor this paddle boat  
You'll hit the bottom of the highest note  
And the chatty tree frogs  
Will never wanna leave your throat I wish that we could sail our sad days away forever  
In deep blue seas of paper-mache  
Let's dance in the moonlight A barracuda chased our dog days away forever  
Let's sink or swim 'til we fall in love  
And dance in the moonlight  
When we join the yacht club Let go of the world you know  
And plug in the party lights  
Soak your cares in the solar flares  
That light up these island nights Orange eclipse, I can taste your lips  
In the citrus afternoon  
If you can fly, don't stop at the sky  
'Cause there's footprints on the moon  
It was you I wish that we could sail our sad days away forever  
In deep blue seas of paper-mache  
Let's dance in the moonlight A barracuda chased our dog days away forever  
Let's sink or swim 'til we fall in love  
And dance in the moonlight  
When we join the yacht club Let's dance in the moonlight  
When we join the yacht club
