

# No Beginner

## Serengeti

I'm not trying to kill turtles without hair string colors  
I'm just trying to do rap songs and be down with my brothers  
Hey maybe a few others too  
We can get a Pay-Per-Veiw  
We can watch boxing all the time or join the sound crew  
Or the crew that changes ice to the warm courts  
Makes athletes take off ice skates put on mesh shorts  
That sounds like dandy  
Watching a flick organized crime  
I like the Wesley Snipes and Ving Rhames for the prison time belt  
Making soda time mind  
Passing it to a friend of mine  
Maurine made cacciatore  
Seasoned with a sprig of thyme  
Hot dog for lunch  
Hot dog for dinner  
Don't eat breakfast  
I am no beginner, no  
Hot dog for lunch  
Hot dog for dinner  
Don't eat breakfast  
I am no beginner, no  
Just don't be gross  
Like find long hairs in the bread  
The only people that were there  
Were Tommy and Craig  
I'm a DJ now  
Set list in my head  
After a sooner or later  
I'm going Club Med  
Then walk around downtown  
Hit up a Sky Gym  
Maybe get a new suit  
Double bag of fruit fruit  
Gotta listen  
Listen like magician  
When it clicks in tricks 'em  
Get paid, get paid  
Tell me what's your dream job

Tell me what's your dream job

House husband hobbyist

Tell me what's your dream job

Hot dog for lunch

Hot dog for dinner

Hot dog for breakfast

I am no beginner, no
